

INTEGRAL MISSION *word and deed in balance*

Integral mission begins at the intersection of social service and spiritual evangelism.

WHAT IS INTEGRAL MISSION?

Integral Mission is the process of sharing the Good News through word and deed in balance. This reflects the mandate Jesus gave us as His followers and disciples (Matthew 5:13-14).

There is no biblical dichotomy between evangelistic and social responsibility.

CALLS TO ACTION

UNDERSTAND

Understand the mistake of practicing an incomplete Gospel, and clearly realize the mandate for Integral Mission.

ADAPT

Be willing to adapt and redesign evangelical approaches to fully encompass Integral Mission.

IMPLEMENT

Seek opportunities to implement Integral Mission into the life and actions of the church.

The church has slowly lost sight of the call to proclaim and demonstrate the Good News through Integral Mission. The global church is split between those who prioritize the 'spiritual dimension' or the 'social dimension'.

The Gospel is

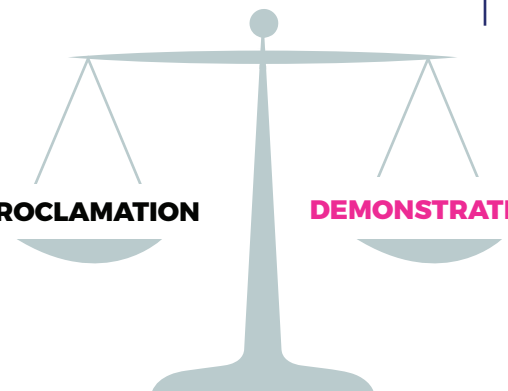

IN  **COMPLETE**

without relevant acts of compassion that demonstrate the proclaimed word.

Integral mission is not a "means to an end" to bring about salvation. It is a vital part of what we are called to do as Christ followers. Christian life should be a balance of proclamation and demonstration co-existing in harmony.
